Groups needed; Setup, Packup (bobcat required), Pressure cleaners (Karcher) Volunteers

Penrith show has been cancelled and this should have a positive impact on our show.

Discussion about having club cars, it was agreed that club cars can be used and decisions will be made closer to the show when we get a better idea of exhibitors supplying cars. Also discussion about having clubs run blocks of time on the test track. We need between 15 - 20 people per block of time.

Our booster seats need to be replaced as the ones we are using now are no longer legal.

Scouts are good for parking and the climbing wall.

Youcamp, National Parks, State Forests are confirmed.

Buses where good and the layout worked with the only change is metal fencing instead of plastic barriers which were blow away.

Club cars for show and shine need to be pushed now.

Relationship with the WeRock much better now.

Fourby forum, is Mad Matt involved this year? -> Check with Premier

Passport style opportunity around to collect details.

Toilets, disabled and baby change facility. -> Remind Premier

Saturday night happy hour and then have a BBQ for the volunteers after that? Happy hour worked well.
